

For Sale - Flye

Very talented 9 year old 15hh chestnut gelding with flaxen mane & tail. Flye is a particularly pretty little horse who excels at show jumping and would easily affiliate. He has had a lot of success locally including Shires / Welsh Rider Championships in 2008 & 2009. In 2009 he won over a hundred rosettes; mostly for show jumping but he has also won at Working Hunter.

He is easy to keep & to date has lived out with a mixed herd of mares & geldings although I'm sure he would happily spend some time stabled.

Flye is good with the farrier & the dentist & an excellent traveller.

This horse is perfect for a competent & ambitious rider but is not suitable for novices or happy hackers.

£3,500 including tack.
